

Western Open Fiddle Championships

Twin Fiddle Rules

In addition to the General Contest Rules, the following rules apply specifically to the Twin Fiddle Division:

1. At least one member of each Twin Fiddle entry must have entered a regular fiddle division in this year's Western Open Fiddle Championships.
2. There are two Twin Fiddle Divisions. Contestants in the Junior Twin Fiddle must both be age 17 or under. Contestants in the Open Twin Fiddle may be any age. A contestant may only enter one Twin Fiddle Division.
3. There are two rounds in this division. In the preliminary round and in the finals, the contestants must play two tunes, one fast and one slow in any order. In case of a tie, the contestants shall play one tune of their choice. A contestant may not play the same tune more than once in the Twin Fiddle Division.
4. **Four minute playing time in the preliminary round and in the final round will be strictly adhered to.** Two points will be deducted from the total score for every ten seconds or portion thereof over **four** minutes. In playing off a tie, two minutes playing time will be strictly adhered to.
5. No more than three accompanists may be used, of which no more than two may be standard guitars. Accompanists may not play the melody of the tune(s).
6. Judging will be remote and based on the following:

Appropriateness of Harmony	25 points
Rhythm and Timing (Danceability)	25 points
Intonation and clarity of tone	25 points
Difficulty	25 points.
7. Long passages of unison notes should be avoided. Points will be deducted if one player plays alone for more than a few notes. Playing should be danceable and have an even tempo. Both tone quality and intonation will be considered in this division.
8. Any pair of contestants winning a Twin Fiddle Division three years in a row may not compete in a Twin Fiddle Division for at least one year.
